

# Novaplus<sup>®</sup> Enhanced Supply Program

For more than three decades, Novaplus has been an industry leader for cost savings and quality products. In 2019, Vizient<sup>®</sup> made a great program even better with the launch of the Novaplus Enhanced Supply Program. This program ensures you'll have the necessary supplies in time of need or other unforeseen disruptions.

Sri Trang, the manufacturer of Ventyv<sup>®</sup> Exam Gloves, holds 90 days of safety stock inventory in a dedicated warehouse at no additional expense. So not only do Vizient members get great Novaplus price, rebate value, evaluation support, and high-quality products; they also now get the confidence of supply assurance from a top manufacturer.
